

About This Guide

This directory lists emergency and specialty veterinary hospitals across all five NYC boroughs, plus key resources nearby. It is organized by borough and neighborhood. Hours and services change — always call ahead to confirm, especially for specialty services which often require referrals. **For life-threatening emergencies, drive to the closest 24-hour ER without calling first.**

Color key for this directory:

■ ER Only

Emergency & Critical Care
Walk-ins accepted · 24/7

■ ER + Specialty

Both ER & specialist services
at the same location

■ Borough Heading

Section divider by borough
— hospitals listed below

■ Urgent Care

Extended hours only
Not a true 24/7 ER — call first
